

Lindisfarne Methodist Parish

Pink Sheet – April 2024

Your Parish Council met on Tuesday 23rd April 2024

The following items were discussed:

- Tania has completed her mandatory sexual abuse training in Auckland. This was a tough time but good learning.
- Chris thanked everyone for their support and help during the funeral of Anne Stoddart.
- We are grateful to Beverley Robinson for her generous legacy of \$10,000.
- Organists are finding suitable tunes when the hymns are unknown to the congregation. Tania reminded us all that we do not need to be perfect and to be kind and adaptable.
- Some choir chairs will be moved for communion to make access easier.
- Concerns over the lack of volunteers for shared lunches. Other roster duties are now filled.
- Chairs have been steam cleaned by Cam and his grandson Jade.
- Approval has been received from the Methodist Church Property Committee. The Property Committee has been through the Miller Street property to view. New updated quotes are underway.
- New brochures for Health and Safety and Hire information are in the process of being organised, and trial evacuations are planned with hiring groups. Room limit signs are to be put on the wall.
